

IAOB Investment Grant Policy

Goals

- To provide a framework which will guide consistent grant administration and assessment on behalf of the IAOB Board of Directors
- To ensure that the administration and assessment of grant programs
 - is transparent, objective, equitable, and understood to benefit the general public, the automotive industry, and government
 - supports the administration of quality assurance, accreditation and certification programs in the automotive industry
 - is consistent with the IATF's goal to provide a single global automotive quality management system standard and certification scheme for its supply chain

Policy Statement

- The International Automotive Oversight Bureau (IAOB) provides investment grants to individuals, community and automotive industry groups, and not for profit organizations to support the administration of quality assurance, accreditation, and certification programs in the automotive industry.
- IAOB Investment Grants will be determined based upon the applicant program benefits to the general public, the automotive industry, and government; evidence of need; the expected outcome from the applicant program; the funds requested; and the commitment and capability of the investment grant recipient to accomplish the expected outcomes of the applicant program.

Feedback and Review Process

- All applicants will be informed of the outcome of their application in writing and offered the opportunity to discuss the application process
- Applicants have the opportunity to request, in writing, a review of the decision by the IAOB Board of Directors. The applicant will be notified of the outcome of the review in writing.

Conflict of Interest Provisions

- To ensure an accountable and transparent assessment process is maintained, IAOB Officers and Board Members assessing grant applications are required to declare any current or potential conflict of interest. This may include, but is not limited to personal connections or financial relationships with any applicant(s). Anyone having a conflict of interest should not debate, be involved with any discussions, or vote on any matter relating to the specific applicant, including award of the grant.

Policy Review

- The IAOB Board of Directors will review the Investment Grant Policy every two years in conjunction with the December IAOB Board of Directors meeting.
